Bond proceeds would be used by Rady Children’s Hospital-San Diego to acquire, design and install an Electronic Medical Record System (EMR) on the hospital campus and other specified licensed and satellite locations in Encinitas, Oceanside, San Diego, Escondido, La Mesa, La Jolla, Solana Beach in San Diego County, and Murrieta in Riverside County.

Ms. Webster-Hawkins presented an in-depth discussion concerning EMR eligibility under the two Children’s Hospital Bond Acts.

Staff recommended the Authority approve a resolution for Rady Children’s Hospital – San Diego to provide a grant not to exceed \$34,141,803 (less issuance and administrative costs) subject to all requirements of the Children’s Hospital Program of 2008.

Chairperson Wynne asked if there were any questions or public comment.

Ms. Holton-Hodson asked if Rady Children’s Hospital was accessing federal funds for their EMR project and if so, for the approximate dollar value of the available federal funding. Ms. Ryan confirmed Rady’s access to federal funding, but she was unaware of the specific dollar amount.

Ms. Holton-Hodson then queried whether the duration of time for EMR implementation (noting that Rady began the project in 2008 and that Rady estimated completion by 2014) was excessive or within the time frame Rady’s had originally planned for. Ms. Ryan responded by noting that EPIC, the installer of the EMR system, complimented the hospital on the short amount of time it has taken for Rady to get its existing EMR project in place.

Item #8**Affirm Approval of Resolution No. CHP-3 2011-01
Rady Children's Hospital-San Diego**

Ms. Webster-Hawkins, Program Manager requested to affirm approval of Resolution No. CHP-03 2011-01 due to inadvertent discrepancies between the grant amount on the agenda posted for the January 27, 2011 board meeting of \$7,965,475 and the grant amount recommended by staff and approved by the board for the execution and delivery of grant funding under the Children's Hospital Bond Act of 2008 to Rady Children's Hospital-San Diego in the amount of \$9,468,005.

The Board approved a grant in the amount of \$9,468,055 to Rady Children's Hospital-San Diego's Children's Hospital at the January 27, 2011 Authority meeting.
